<b>SHA fees</b>	The payer pays the fees required by the payer’s bank, and the beneficiary pays the other fees. <b>BEN fees</b>	<p>The beneficiary pays all fees (fees required by the payer’s bank and those required by the beneficiary’s bank). For outgoing payments, additional fees of intermediary banks may be debited from the payer for sums lower than the allowed minimum set on an individual basis by intermediary banks and for manual processing due to instructions incorrectly entered by the payer.</p> <p>Please note that assignment of the BEN fees is not enabled under the legislation in force with regard to non-conversion payments and EEA payments denominated in an EEA currency, hence the Bank will switch it to the SHA fee assignment.</p>

The fee is always debited on the 15th day of the month following the quarter's end, or, proportionately upon contract termination. UniCredit Bank has made maximum effort to estimate the value, having based itself on the prices provided by third party depositories or by other relevant data providers operating on the market. Prices provided by third parties are referred to as either market prices or their estimated values. Nominal values of the held investment instruments, or, technical figure 0.000001 may be alternatively used in place of the price as a rule where the market value or estimated value of the held investment instrument is unavailable. If the CSDP (i.e. Central Securities Depository) has included the held investment instruments in the list of issues for which no securities maintenance fee is charged, the technical figure 0.000001 must be used without exception.

While UniCredit Bank considers the sources trusted and provides information obtained from them in good faith, it is nevertheless unable to guarantee and therefore assumes no liability whatsoever for this information's up-to-date status, completeness and correctness, and hence, no liability for that information. The presented values and prices do not constitute an offer to sell or the solicitation of an offer to buy any of the above investment instruments.

<sup>2)</sup> The surcharge for clients who do not have an account maintained at UniCredit Bank is CZK 200.

## 13.1 Personal accounts (continued)

### How we charge our accounts:

For our currently offered accounts, each client can obtain free-of-charge account maintenance, subject to compliance with the determined conditions – age, noncash credit turnover on the account or total volume of deposits. The monthly account maintenance fee is charged only in the event of non-compliance with these conditions in the previous month. For example, the monthly fee for January takes into account compliance with the specified conditions for January. If the free-of-charge maintenance conditions are not met, the fee is charged at the end of February.

Credit turnover includes noncash incoming payments (wage, pension, allowance, etc.), except the following transactions: cash deposits made through an ATM and at the bank's cash desk, incoming payments from current accounts of the same owner, incoming payments from savings accounts of the same owner, transfers between accounts of clients within TANDEM, transfers from term deposits to a current account, credit transfers from credit accounts to the credit of a current account, accrued interest, refunds of fees, cancellations of card transactions and funds credited on the basis of the repurchase of mutual funds.

The balance is determined as a sum of all deposits of the client – individual non-entrepreneur on current accounts, savings accounts, promissory notes, term deposits, own bonds with UniCredit Bank, as well as the current value of funds invested through UniCredit Bank in investment life insurance and unit trusts offered by UniCredit Bank.

<sup>1)</sup> In the Partners network, DĚTSKÉ konto is sold under the name Bublikonto, U konto under the name Partners U konto and, U konto TANDEM under the name Partners U konto TANDEM, U konto PREMIUM sold under the name Konto PREMIUM until 31.01.2016.

<sup>2)</sup> For free-of-charge maintenance of U konto TANDEM, the accounts of the clients involved must be credited with a total of at least CZK 12,000. If this condition is not met, the fee is debited from the accounts of both clients in TANDEM. If one of the clients cancels the U konto TANDEM or changes the U konto TANDEM to another type account/product, the bank automatically changes the U konto TANDEM of the other client to U konto under the currently valid conditions referred to in this Price List.

<sup>3)</sup> The account statement fee is charged retrospectively. If statements are generated on a monthly basis, the fee charged at the end of the current month applies to the statement for the previous month (e.g. the fee for the May statement will be charged at the end of June).

<sup>4)</sup> Up to 2 Premium cards – 1 credit and 1 debit card.

<sup>5)</sup> Applicable to cards issued by 30 June 2014.
