GENERAL PROVISIONS

This Price List of Purchase Fees for Structured Invest – onemarkets Fund and Generali Investments CEE (“Price List”) is the Price List of the fees for the purchase, switch or redemption of units, referred to by the relevant provision of the Price List of Banking Services of UniCredit Bank Czech Republic and Slovakia, a. s. (“Banking Services Price List”).

The Price List thus forms an integral part of the relevant Framework Agreement on Trading in Securities concluded between the client and the Bank and it governs, in particular, the amount of the fees the Client is obliged to pay in relation to an order submitted according to the Framework Agreement on Trading in Securities.

CHANGE AND AMENDMENT OF THE PRICE LIST

The Bank is entitled to change and amend the Price List during the contractual relationship of the client and the Bank. Information concerning any changes in and amendments to the Price List will be provided to the client through the Bank’s websites. As a rule, the Bank provides a notification of a change in or amendment to the Price List as part of a Securities Account Statement.

Likewise, the provisions of Article 3 of the General Business Terms and Conditions of the Bank shall apply in relation to procedures upon a change in the Price List, including the client’s option to terminate the contractual relationship in case of a disagreement with the proposed change.

Change of the Price List shall not mean an amendment of the Price List which does not change the amount of the fee or a way of its calculating, including the relevant volume ranges, or which does not change the client’s obligations towards the Bank and vice versa. The Bank is entitled to send a notification of an amendment of the Price List to clients even after such amendment comes into force.

OTHER PROVISIONS

Unless otherwise specified, the provisions of the Banking Services Price List shall apply to matters not covered by the Price List.

The Price List may be translated into other languages. If there any contradiction between various language versions exists, the Czech version shall prevail for the interpretation of the relevant provisions.

The issuers of these investment instruments are the Bank’s business partners. Therefore, there may be a conflict of interest on trade with these instruments.

In connection with the distribution of these instruments, the Bank receives an inducement based on the distribution agreements of up to 85 % of the management fee. The Bank is also provided with marketing and information support, and training to improve the staff qualifications and quality of the services. The amount of such non-cash benefits provided is determined individually depending on their type, scope and conditions (e.g. number of training participants). Details of the inducements are available on request.
